- Executive leadership that is committed to right-sizing the university's IT staff and infrastructure

Ohio University at a Glance

- 28,000 students on six campuses
- Focused on research and undergraduate education
- Division 1A Athletics

A Great Place to Live

Nestled in the Appalachian foothills of southeastern Ohio, Athens offers the best of both worlds. Where else can you find both a relaxed pace of living, far from the cares and worries of city life, and the energy, diversity and vibrant cultural atmosphere that goes with a major state university?

With reasonable real estate prices, a low crime rate, and the lifestyle of an academic setting, Ohio University and Athens represent a great alternative to the stress and hustle of city life.

Demographics Daily called Athens a "dreamtown" in their 2000 list of America's best small cities. Come see for yourself why Athens rates so highly.

Athens at a Glance

- Average home prices (county) – \$103,127
- Average home price (city) – \$138,264
- Average home price (US) – \$173,585
- Median monthly rent – \$313 county, \$427 city
- Population – 63,000 county, 31,000 city
- Mean travel time to work – 21.7 minutes
- Total Crime Index – Athens 2.3, national 3.6
- Athens County schools, student to teacher ratio – 12.8:1
- Over 130 physicians in the area
- Distance to Columbus, Ohio – 73 miles
- Season temperature ranges
 - Summer: 57.7 to 86
 - Winter: 18. to 35.2
- Air Quality Index – Athens 64, national 44.59
- 11,000 acres of state parks, national forest and nature preserve land nearby

OHIO
UNIVERSITY

Ohio University is an Affirmative Action Institution

An Invitation from the CIO

Opportunities like this do not happen every day. In a time when higher education budgets continue to shrink, Ohio University has committed new funding and personnel with the goal of turning its Office of Information Technology into a world class organization.

I encourage you to consider joining our team now. This is your chance to get in on the ground floor as we build our new organization. The time has never been better!

– J. Brice Bible, Chief Information Officer
